### Official Paper of Dakota County

During the session of the 1910-11  
legislature Senator Morehead, now the  
democratic candidate for governor,  
used every means available to kill off  
the initiative and referendum bill  
when considered in the committee of  
the whole, also the stock yards and  
insurance bills, still he poses as a  
"progressive" democrat. It may be  
possible for him to fool some of the  
people, but many are not going to be  
led astray so easy.

Woman Finally Recovers  
From Nervous Breakdown

Impoverished nerves destroy many  
people before their time. Often be-  
fore a sufferer realizes what the  
trouble is, he is on the verge of a  
complete nervous breakdown. It  
is of the utmost importance to keep  
your nervous system in good con-  
dition, as the nerves are the source  
of all bodily power. Mrs. Anna  
Kounz, 211 Mechanic St, Pueblo,  
Colo., says:

"For many years I suffered from  
nervous prostration. I was unable  
to do any house work and doctors  
failed to help me. Remedies I  
tried from druggists did not do  
me a particle of good. A neighbor  
told my husband about

Dr. Miles' Nervine

and he procured a bottle. After the  
first few doses I showed a marked  
improvement and after taking two  
bottles I was entirely cured. I have  
been perfectly well for years and  
cannot praise Dr. Miles' Nervine  
too highly."

If you are troubled with loss of  
appetite, poor digestion, weakness,  
inability to sleep; if you are in a  
general run down condition and  
unable to bear your part of the  
daily grind of life, you need some-  
thing to strengthen your nerves.  
You may not realize what is the mat-  
ter with you, but that is no reason  
why you should delay treatment.

Dr. Miles' Nervine

has proven its value in nervous dis-  
orders for thirty years, and merits  
a trial, no matter how many other  
remedies have failed to help you.

Sold by all druggists. If first bottle  
fails to benefit your money is returned.
